ValuFlex Borescope Kits

**portable, flexible boscopes that deliver bright, high resolution images
for viewing internal or difficult to reach areas**

Applications:

Automotive
Aerospace
Construction Equipment
Industrial Machinery
Vessels, Vents, Pipes, Nozzles
Die & Mold Manufacturing
Metal Machining
Building Inspection
Contractors
Law Enforcement
Military

Standard Features:

- Flexible shaft that holds its shape to view internal or difficult to reach places.
- Rugged PVC coated interlocking armor.
- Light weight and portable.
- 8mm (.320") diameter models with 1m (39.4") and 2m (78.4") lengths.
- 50 degree field of view.
- Attachable, threaded right angle mirror head included.
- High resolution fiber optic bundle for high, bright light transmission.
- High resolution achromatic optics, provide a color correct and sharply focused image that covers the entire field of view "edge-to-edge".
- Focusable eyepiece ensures clear, crisp images.
- Probe is waterproof and may be immersed in water, oil, or gasoline.
- Complete with a fitted carrying case.
- Economically priced
